Overview

Simply speaking, thumbs up!

Thumbs Up Token is one kind of **MEME Coin** which refers to a coin created by representing popular videos or images on the Internet, such as unique values, thoughts, styles, and behaviors spread by a specific person or group. We place great features on just the pursuit of fun. Examples: DOGE, SHIBA INU, and many more.

Concept: Thumbs up gesture in celebrity photos-> Signal The thumb in the photo has nothing to do with the signal, but it can simply arouse users' fun and interest, and the possibility of creating a variety of memes.

Trends

Meme coin is expected to increase in popularity when it is listed on global exchanges as there are analyzes that **the play culture of the millennial jet generation (MZ generation) is fun and stimulates the collecting desire for relatively cheap coins.**
